

KW PROPERTY MANAGEMENT & CONSULTING

Volume I, Issue I

December 2010

Community Service Committee

Greetings

We would like to present to you the first newsletter for KW Gives Back. The purpose of this newsletter is to inform all employees of KW Property Management about our efforts in giving back to the community. We will keep you up to date with upcoming events by region. If you have any suggestions please feel free to contact us at: kwgivesback@kwpropertymanagement.com

During this Holiday Season, KW will be supporting the Toys for Tots Toy Drive. Here is a chance for all of us to help those children that are less fortunate to experience the joy of the Holidays.

A box is located at the Corporate Office into which you may drop off a new, unwrapped toy for children ages 0-17 years-old. You have until Wednesday, December 22nd at which time a member of the U.S. Marine Corp will come to the Corporate Office and pick up the toys donated. The Committee will also host a breakfast for all to enjoy.

District Managers, please distribute the information sheet that was emailed to your Property Managers so that they and all their property staff may also participate. In addition, if any association would like to have a Toy Drive box located on property, please contact us and we will provide you with a box to place on property. Then, on December 22nd, everyone is welcome to drop off the toys at the District offices as follows:

Thank You

We would like to thank all of those that participated in the 15th Annual Susan G. Komen Walk for the Cure. The sun was out, the weather was beautiful and we had about 40 participants from KW and their families attend and walk 5K to support the cause. We are looking forward to next years event and hoping to see that number grow.

On Sunday November 21, KW sponsored the 3rd Annual Families for Fragile X Walk a Thon at Zoo Miami. Thank you to all those KW employees who participated, who came from near and far and those who volunteered. For all of you who made contributions, the families of Fragile X thank you. Your contributions will make a difference.

Volunteer

We also wanted to make you aware of some other organizations that could use a helping hand this holiday season. If you would like to help feed the homeless, we have listed some places below.

Miami-Miami Rescue Mission

Naples- St. Matthew's House

Tampa-Amazing Love Ministries

Orlando-Orlando Rescue Mission

Coming in 2011

KW is working on joining forces with Habitat for Humanity. Stay tuned for more upcoming events in the new year.
